Letter of Appreciation

Singapore based Family Affairs team under the stewardship of Dr vijayan LogaNathan has conducted 10 days summer camp for 120 slum children of Bhubaneswar at Koraput House in collaboration with Ruchika Social Service Organisation from 22nd ,May,2017 to 31st May 2017.

Every child is not only to survive but thrive. The innovative programme is very much exemplary as it intended to create fun and laughter to the most underprivileged and downtrodden segments of the society. Our country has not touched millions at the bottom of economic pyramid. Through skill oriented activities like handicraft, painting, doil making, T-shirt painting ,clay pot painting, glass painting ,balloon art ,puzzles, dancing etc. they have created interest among children to think and expand. It has generated among themselves dignity and self respect. Many activities also inculcated in the minds of children the team spirit and the art of happy living.

All this could be possible due to the dedication, commitment and determination of all the team members of Family Affairs. Each of them sharing with the children, explore the child in themselves. The ethnic bondship of Singaporean with Indians is strengthen by such periodic interaction.

Ruchika Family expresses its deep sense of gratitude to Dr Vijayan and all his team members for engaging themselves in such wonderful and amazing activity. Inspite of scorching sun and rise of mercury everyday, they made the children laugh and comfortable.

Ruchika would like to look forward for another such opportunity to have fun and friendship with another batch of children.

THE RUCHIKA MISSION

- ❖ Provide all children with a joyful and creative school atmosphere that incorporates the education and skill relevant to a meaningful and dignified existence.
- ❖ Equip children with the knowledge necessary to become active participants and positive contributors to their communities.
- ❖ Create a society free of child labour, destitution, exploitation and abandonment.

Ruchika desires to raise a fund amounting approximately Rupees 5 lakhs to run a vocational training programme like tailoring at the center and doorstep in the slums. This will benefit near about 200 women in order to maintain/ supplement the family. It will be highly appreciated if the organization is tied with a philanthropic and humanitrian association with your noble effort. We can provide the documents required for the purpose through online.

God Bless them for their unique endeavor.
